The Spirit of Antonian; the "Rock" on which it was founded

"The intellectual, emotional, physical and moral spirit of manly self-discipline pervades all phases of education at Antonian. This spirit of manliness and self-discipline generates the ability to choose duty over pleasure as a way of life; in the classroom . . . in relating to people . . . on the athletic field . . . and in relating with God."

In Memoriam

GREG BLOUNT

May 4, 1950 — January 11, 1967

Greg Blount was our classmate for three years. As a member of Antonian's banner class he personified a youthful zest and vigor with a cool maturity of outlook. Greg Blount was a fighter. He fought for what he thought was right and was never satisfied with mediocrity. Greg was a friend. His glib tongue, matched with a quick mind gave him a sparkling sense of humor. He was light-hearted and fun and his hearty chuckle will not be forgotten in the halls of Antonian.

But there was another Greg Blount. There was the Greg Blount who gave up his Friday nights to work as a volunteer in the Baptist Memorial Hospital emergency room—the rare kind of person who was thankful he could be of service to another without expecting anything in return. These qualities which made Greg a standout in the eyes of all who knew him are the qualities which will make Greg live on in the hearts of us all.

Campus

Antonian High School is an imposing \$1,140,000 modern educational plant which majestically dominates the hillside of a 26 acre campus located in Castle Hills. The beautiful oak studded campus slopes down to the shaded creek which flows through the campus and divides the ten acre athletic complex located behind the school. Walkways lead from the school to the three flights of stairs which descend the terraced slope to the various levels. A picturesque footbridge spans the creek, providing easy access to the football field. Everything about this beautiful three-year-old campus is conducive to the aim of the Christian Brothers who staff the school: to develop young men who

will think, judge and act as Christians in all phases

of their activities both now as students and in

later life as adult members of society.

Brother Andrew Terry, guidance counselor, has available in his office information concerning careers, college entrance board exams, and both civil service and scholarship opportunities for Antonian students. Joining Brother Andrew in the guidance office are Dennis Chermack, John Finch and Steve Sceicina.

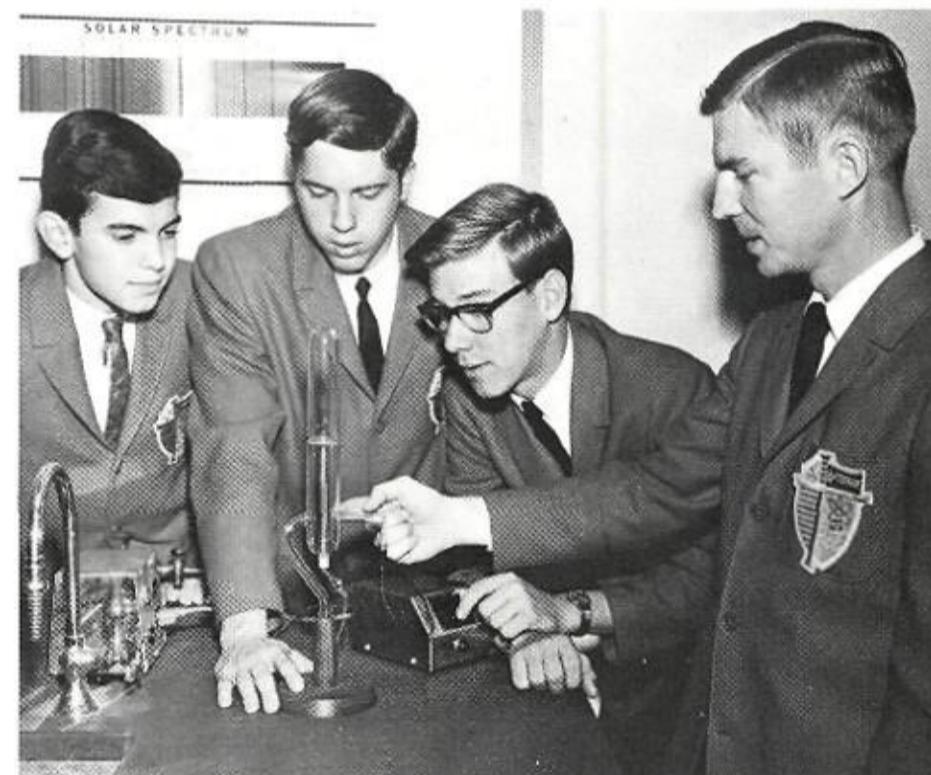

Brother Rockenbaugh and Mrs. Van Steenberg survey the school from the footbridge which links the tennis courts with the football field and track.

The Antonian Resources Center.

The Antonian High School athletic complex was completed on October 16, 1966 and was dedicated by Archbishop Lucey. Costing \$140,000 the complex consists of a 100x60 yard football practice field surrounded by a 440 yard regulation Grass-tex track, six tennis courts and a baseball field with dimensions of 325 ft. to left and right and 350 ft. to straight-away center.

FACULTY

Antonian's dedicated faculty stresses maturity and responsibility by word and action, but it is too vital and young in spirit to forget the place of fun. It is always willing to help the student, be it through counseling, corridor decorating, or sitting over a tank of water to help raise money at the Spring Festival.

There is also a serious introspective aspect to the Spirit of Antonian. Religion is incorporated into the fabric of student life. Each student goes to Mass with the other members of his homeroom—it is a close, personal experience. To us Religion means identity . . . authenticity . . . interest . . . awareness . . . sensitivity . . . sincerity.

Apaches Tie Laredo Nixon In Opener

The Antonian Apaches opened their 1966 season with a tie against Laredo Nixon Mustangs. The game was played under poor field conditions due to rain. Tom Richter scored the only touchdown for Antonian. A 7 yard pass from Ronnie White in the second quarter provided the only Antonian score. Laredo Nixon came back to score and the extra point failed. The Apaches held the game to a tie, although the Mustangs had been strongly favored.

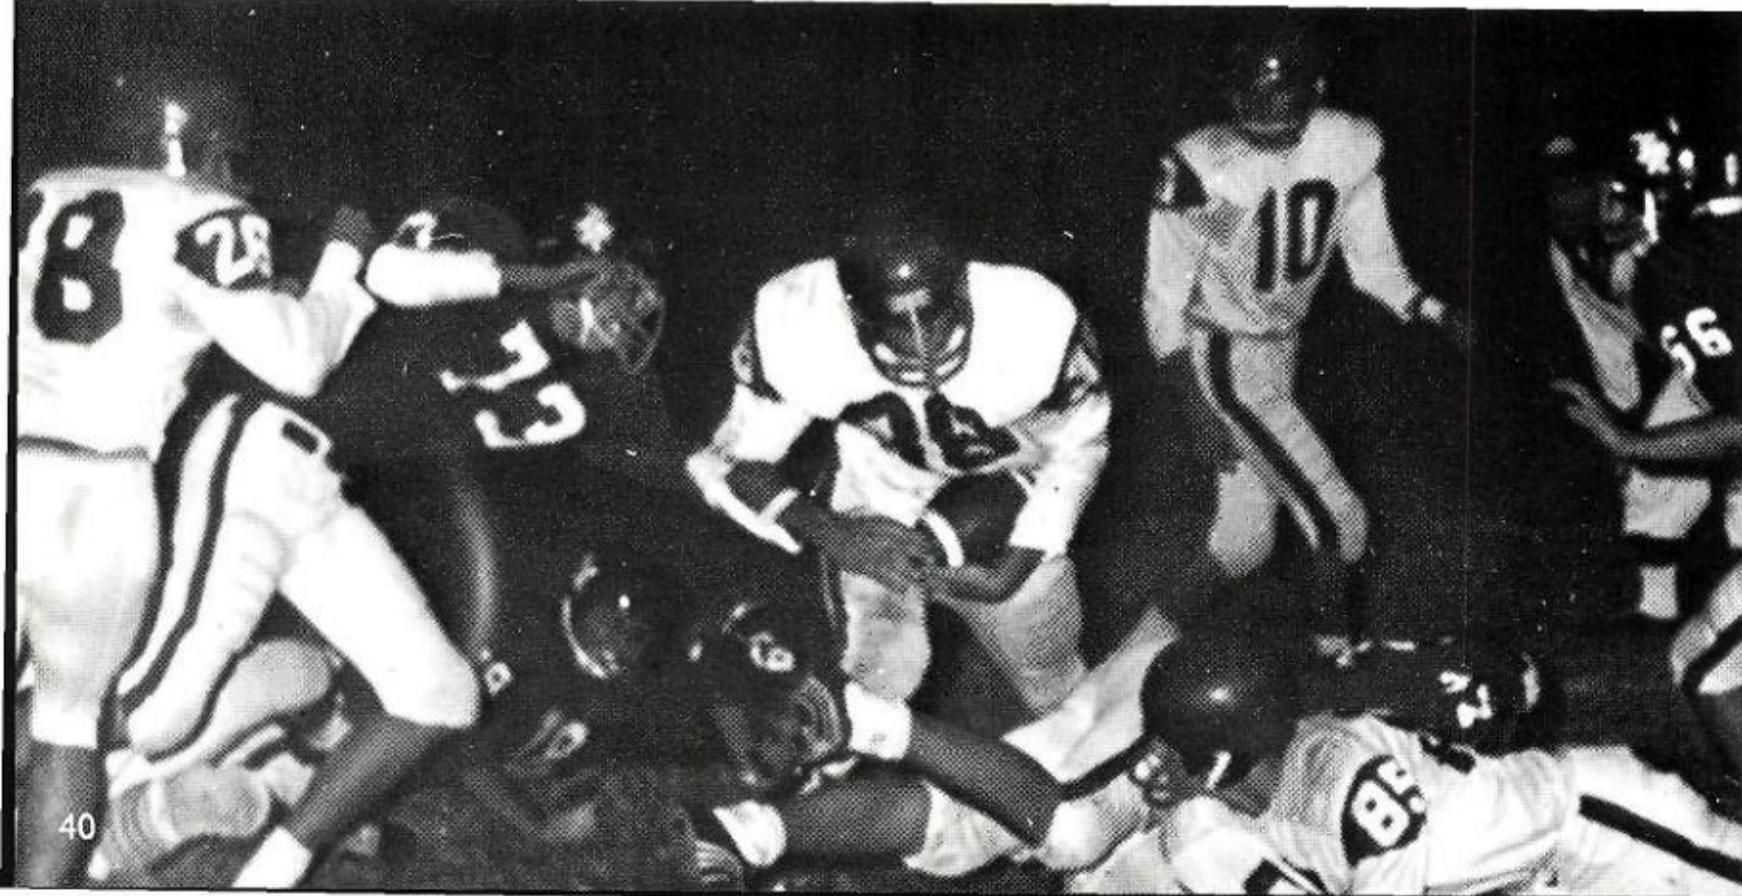

Antonian's Apaches won their fourth game of the year by scalping the Roosevelt Rough Riders 21-0. In the second quarter, quarterback Ronnie White hit Larry Boyd with a 36 yard toss to set up a scoring play from the 1. Then fullback Barry Barcellona went over for the TD. White hit halfback Mike Mott for the 2 point conversion. In the fourth period halfback Tim Ehlinger scored from the one, increasing the Tribe's lead. A fumble recovered by Mike Mott at the Roosevelt 4 set up the final Apache TD. From this point, reserve quarterback Jerry Kissling sprinted into the end zone with Larry Sandera kicking the extra point. The Apaches, who play an independent schedule, now stood 4-2-1 on the season.

After a slow start, the Big Red really got the ball rolling. Winning five ball games in a row before dropping the final game to Bishop Lynch, the Apaches compiled a 5-3-1 record establishing them as the winningest Catholic team in the city.

The Antonian Apaches won their fifth consecutive game of the season, upsetting the Holy Cross Knights 20-13. Mike Ellison intercepted an Antonian pass to set up the first Knight score and Anthony Lopez passed 24 yards to Henry Estrada who made a diving catch for the touchdown. In the second quarter Bill Palmer recovered a fumble on the Knights' six. Barry Barcellona then plowed over from the one for the touchdown with 5:53 left in the half. Jerry Kissling was the game's leading rusher with 110 yards in 17 carries. Larry Sandera kicked the extra point. In the third period, with fourth down at the 13, John Montfort passed to Andy Maldonado for a touchdown. The Apaches' winning touchdown came on

a one yard plunge by Tim Ehlinger. This six-pointer was set up by a Montfort to Mike Mott pass caught at the two. Tony Trad, Dennis Chermak and Larry Boyd were defensive stand-outs.

Apaches Fall to Lynch In Season Finale

The Antonian Apaches bowed to the Bishop Lynch Friars of Dallas 30-6. Bishop Lynch's offense was dominant throughout the entire game. By halftime the Friars led 20-0. It wasn't until the fourth period Antonian pushed across six points. The final score was 30-6.

Tribe grabs Consolation Championship In South San Tourney

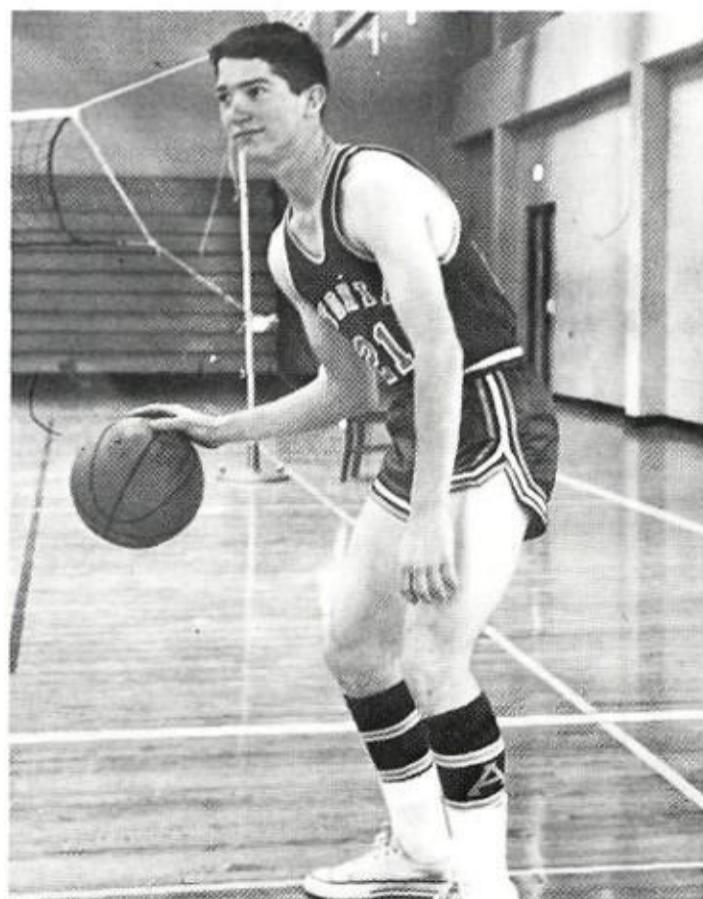

Chuck Speier tips in two in Travis game.

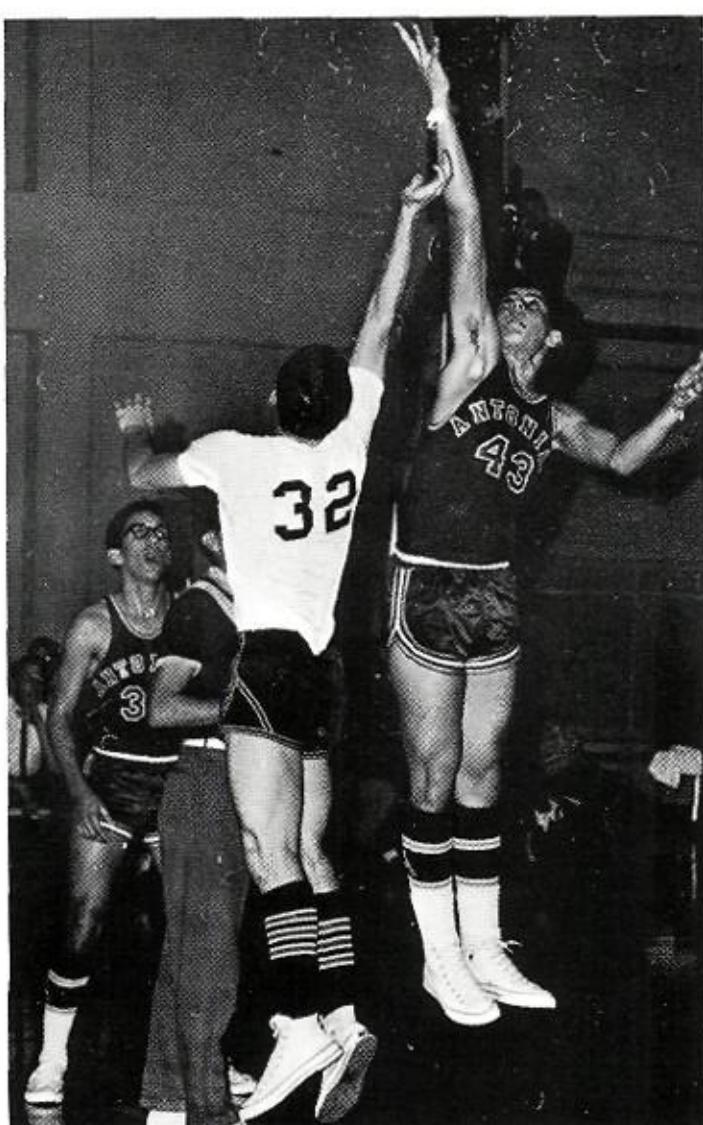

The Apaches broke into the win column early by winning the consolation championship in the South San Tournament. In the tourney, the Antonian squad lost their opener to Austin Travis 44-33, with Butch Vela pacing the Apaches with 14 points. The Antonian squad bounced back to nip South San "B" 49-46, with Mark Wientjes scoring 17 and Nick Pantuso canning 12. The Tribe advanced to the finals besting Kerrville Tivy 55-41, as Wientjes and Vela each hit 15. The Apaches met Beeville in the consolation game. The tribe overcame their poor shooting to hold on to the lead and walked off with a 39-36 victory and the consolation trophy. Andy Obriotti scored 12 points and Butch Vela scored 10 points in the championship game. Mark Wientjes was named to the All Tournament Team.

Apaches Get Tough

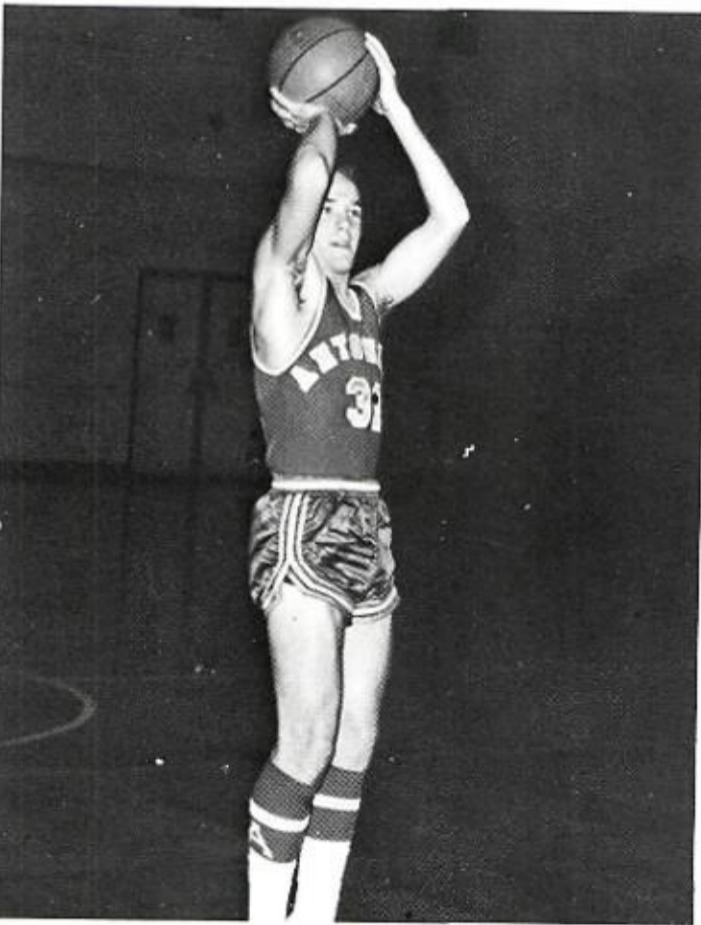

The Antonian Apaches proved to be a thorn in the side of many powerful Alamo City teams. The first AAAA team to fall to the Apaches was Churchill. The Tribe tromped over Churchill, before a standing room only crowd, 49-43. Wheatley, co-champs of the 15 AAA district, had their share of troubles with the Apaches. The Lions had to fight off a determined Apache rally before coming out with a 51-50 victory. The tribe made their presence felt in the San Antonio Invitational Tournament. The upset minded Apaches pulled off a surprising victory over a strong McCollum team in the first round of the tourney. Many were surprised to see such strength in a new ball club. MacArthur brought an abrupt halt to the winning ways of the Apaches in the quarter final game, besting the Apaches 54-42. Robert G. Cole, a team which finished fourth in the state, also had a tough time against the stubborn Apaches. With this overall strength and desire, and all lettermen returning, the Apaches pose a threat to capture the T.C.I.L. crown next year!

Apaches Close Out Season With Six

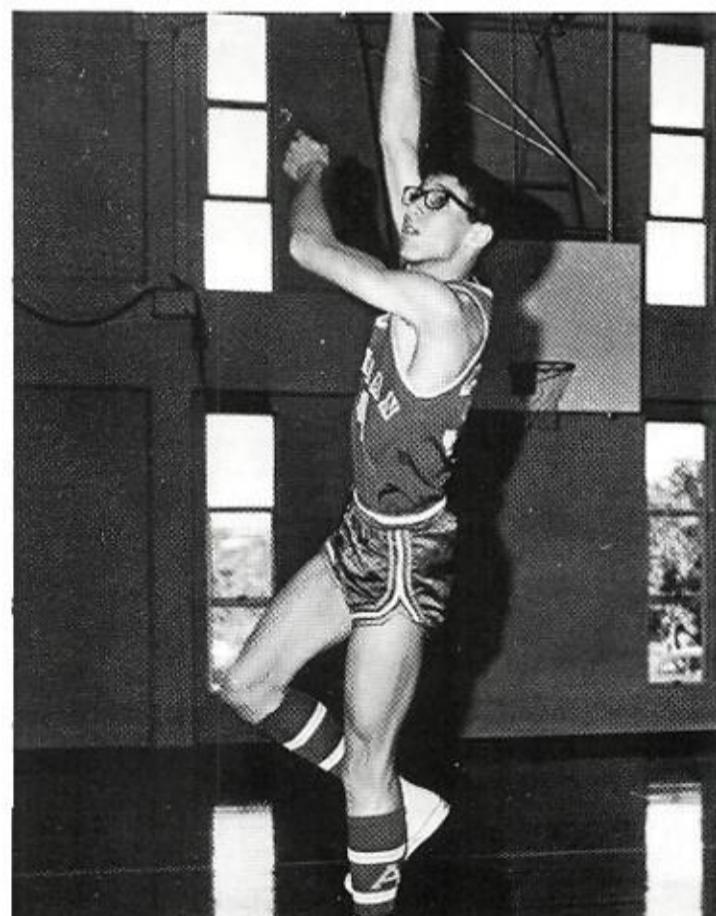

Coach Meyer shouts instructions from the bench.

The Apaches closed out their season with six consecutive victories. The warriors overcame a halftime deficit of 7 points to pull out a victory over Peacock. Then, the braves hatched out a victory against a strong Shertz Cibolo team. Edgewood, a strong member of the AAAA district, fell victim to the Apache rampage, as the warriors pulled off a 40-38 upset when Al Hawkins sank the winning basket with only seconds showing on the clock. The fired up Apaches then raced to a comfortable 32-17 halftime lead against Southwest, and coasted to a 48-43 victory. However, the Apaches had to shake off a cold shooting hand to nip the upset minded St. Gerard Royals, 45-43. This set the stage for the season finale. Playing before a full house on their home court, the Apaches put on an amazing display of power by crushing the St. Gerard Royals, 62-40. With this victory, the warriors closed out the most successful season in their young history.

Apache Nine Enjoys Finest Season

The Antonian Apache Baseball team got off to a shaky start this season by dropping their first four contests. Inexperience, lack of steady pitching and hitting proved to be our biggest obstacles towards establishing a winning way. However, our fighting spirit came through and the Redmen ripped off sixteen victories in the last twenty encounters, including a nine game winning streak, to achieve one of the best won-lost records in the city.

Among some of the triumphs the Apache nine

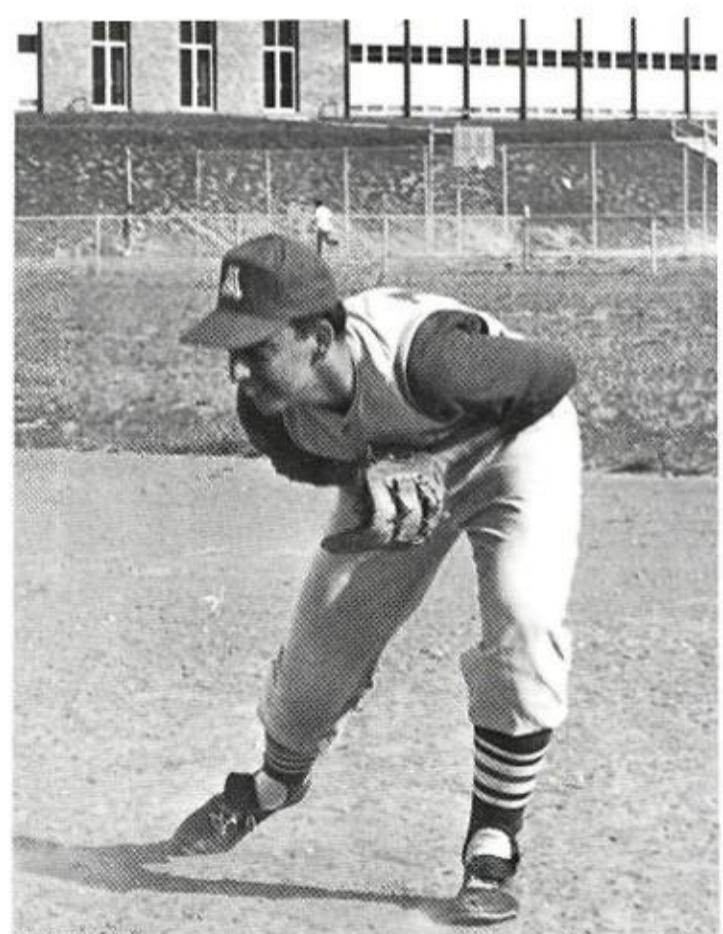

can boast of are double victories over New Braunfels and St. Gerards. The New Braunfels Unicorns previously took twin wins against Douglas MacArthur and San Marcos, two perennial state powers. The Royals tied for first place honors in the T.C.I.L. district 4 AAA race. With a fine showing of sixteen wins and eight losses, the Apache baseball team clearly exemplifies the fighting spirit of BIG RED.

Doug Phillip loosens up before stepping to the plate.

Coach Bill Horlen, in his two seasons at Antonian, has led the Apache baseball team to an outstanding 31-14 record. He has done much to shape our baseball team into a winning one, and has put our baseball program on par with that of the more established schools in the city. The Apaches opened the season with a game against the Robert E. Lee Volunteers, a team which later made their way into the state playoffs. The Apaches battled fiercely before dropping a 9-5 decision in the late innings. However, our warriors later posted victories over such AAAA teams as Kennedy, Marshall, Churchill, and Roosevelt. With this show of strength and potential, the Apaches will be strong contenders for the T.C.I.L. state crown next year.

MIKE MOTT awaits the throw to the plate.

The flashing Holy Cross striders took a runaway victory in the first annual Antonian track and field meet April 8, 1967. The Holy Cross Knights accumulated an amazing 195 points, more than a 3-1 edge over second place La Salle, which tabulated 55 points. Alamo Heights JV, Fredericksburg St. Mary's, and St. Peter Claver deadlocked for third place with 49 points each. Antonian managed a fifth place finish with 33 points. The Apaches finished ahead of St. Johns Seminary, St. Anthony's, St. Edwards, St. Louis of Castroville,

and Central Catholic. The highlight of the meet came when 5 foot 9 inch Tim Hosek of St. John's Seminary high jumped 6 feet 3 inches to equal the city's best performance of the year in that event. John Finch placed third in the 120 yard high hurdles, while both the mile relay and sprint relay teams managed sixth and seventh places respectively. Steve Sccecina turned in an outstanding performance by running a leg on the sprint relay team, and placing second in the high jump.

Not only do our cheerleaders support the team, but here they are seen bearing one of the many burdens put upon them.

To arouse cheers and excite the crowds was the responsibility of our vibrant cheerleaders. Whether it was the hot stuffiness of the gymnasium or the cold bitterness of a fall game, they were always there to urge the team on to victory. The girls' adviser was Brother Joseph.

BROTHER WAYNE,
twice beloved moderator.

The Student Council is composed of a select group of Antonian leaders. Their purpose is to assist the faculty and student body in promoting the advancement of Antonian High School. They accomplish this mainly by providing service to the faculty and student body, and by presenting the opinions of the student body to the administration.

The Christmas concert opened with "O Come, O Come Emanuel" sung as all of the chorus' 120 members marched from the rear of the auditorium to the stage.

Brother Wayne, patient director, instructs the chorus on the precise techniques needed to make beautiful music.

Apache Chorus

Besides their Christmas and spring concerts, the glee club gave a Christmas concert at North Star Mall, sang at the Sodality Talent Show (second place), Our Lady of the Lake Choral Festival (rating of excellent), and at Greg Blount's funeral Mass.

The Senior Drama Club did not start rehearsing until mid year. They began work on a three act production, *Service With a Smile*, under the direction and sponsorship of John Westendarp, a dramatics major at St. Mary's University. Upon his arrival in March Brother Alexis Gonzales assisted with the direction of the play.

The debate team of Steven Scott and Glen Madere had a season tournament record of 12 wins and 6 losses.

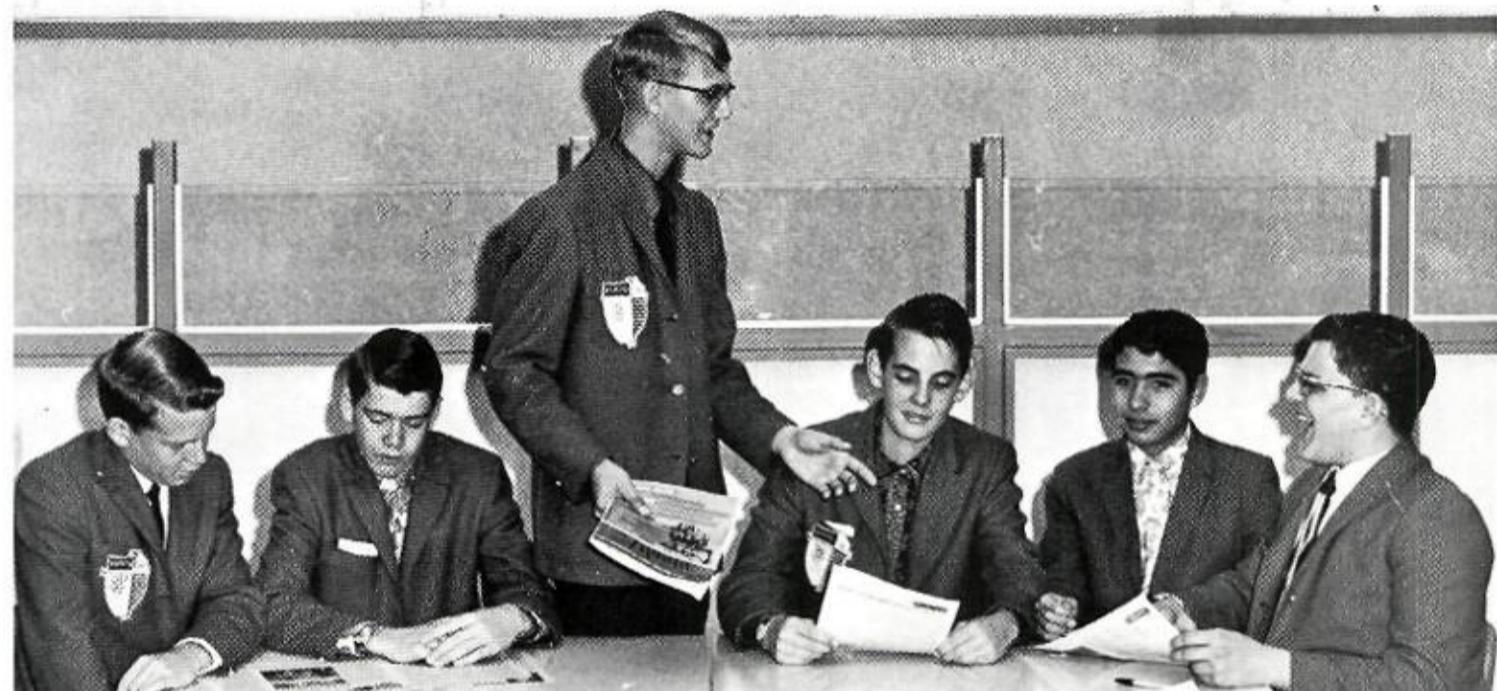

One of the organizations that has been around for all three years of Antonian's history is the Antonian Speech and Debate Club, which has made quite a name for itself among the debate circles. The club, sponsored by Brother Thomas, participated in many oratorical contests and student congresses. A student congress is a speech meet set up along the lines of a unicameral legislature. The merits and faults of proposed pieces of legislation are debated.

Rifle Team

The rifle team, organized by Mr. Hayes, is one of the newest clubs at Antonian. It provides an opportunity for Antonian students to learn fire arm safety and become proficient in the use of firearms. The members have started construction on a rifle range beneath the auditorium stage. They are trying to build a 50' regulation range so that they will be able to fire at school rather than at a public range.

The Chemistry Club was organized this year by Mr. D. W. Schmidt. The club was organized for the purpose of helping students become better acquainted with chemistry outside of class. The Chemistry club performed many interesting experiments, including the brewing of beer, and the production of rocket fuel and laughing gas.

The chess club, supervised by Brother Joseph, was formed to promote interest in chess at school, to help beginners, and to set up tournaments with other schools. The club held weekly intermural tournaments every Saturday in the biology lab.

Honor Society

The honor society is one of the young organizations at Antonian this year. The club's first moderator, Brother Andrew, offered invaluable assistance in getting the club on its feet. During the year the society sponsored money-making projects, and observed activities sponsored by other honor clubs around the city. In the future the club plans to set up a scholarship fund in the name of Greg Blount.

Stamp Club

The stamp club, under the direction of Mr. Bill Hayes, helped all students who were interested in the science of philately. Every other Saturday the members would meet for a big stamp auction, in which members sold or traded their stamps. The club was very useful in that it induced several students to take up stamp collecting, and helped those who already enjoyed the hobby to increase their collections.

The radio club, sponsored by Brother Joseph, was formed of students interested in electronics. During their meetings the members learned basic electronic theories from members already versed in these fields. They established their own landmark with a 20 meter antenna on top of the Antonian auditorium. They also repaired broken radios brought to them by students, and put the sound system in the rifle range.

The gathering and distribution of 10,000 items of food and clothing for the needy bespeaks the Charity of Antonian. But Charity is also patient . . . is kind. Charity is not pretentious or self seeking. True charity is appreciating the worth of your fellow human beings and doing what you can to help them.

Spirit Week was held prior to the Holy Cross game to show the team that the student body was behind it. The shirt competition was held on Tuesday of Spirit Week. Entries ranged from electrically wired shirts to arab sheets. The winner was Bruce Baegthe. The poster competition, which took place the next day, was won by Homeroom 101. The Junior level won the corridor decoration contest held Thursday. Climaxing Spirit Week was a car decoration contest, won by Jerry Rippetteau. A pep rally was also held Friday.

Spring Festival

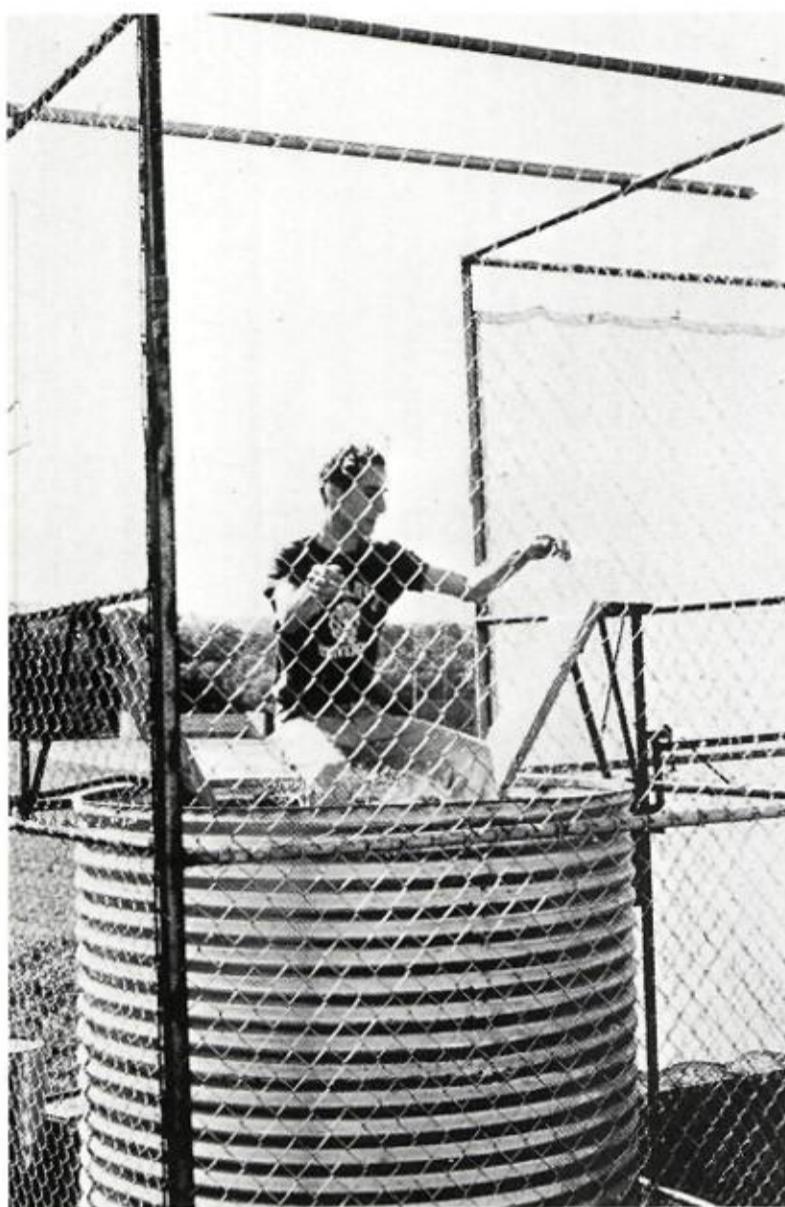

The Spring Festival was held on April 15. The site for all booths and games was the gym parking lot. Foods served were shishkabobs, hamburgers, and hot dogs. Many a student waited in line at the dunking booth for a chance to sink his favorite teacher. Smaller children enjoyed riding on an electric golf cart and trying out their luck at the fishing pond. The festival ended with the drawing for the winner of the RCA color TV console. Afterwards, a PTC sponsored dance was held in the gym.

Elections

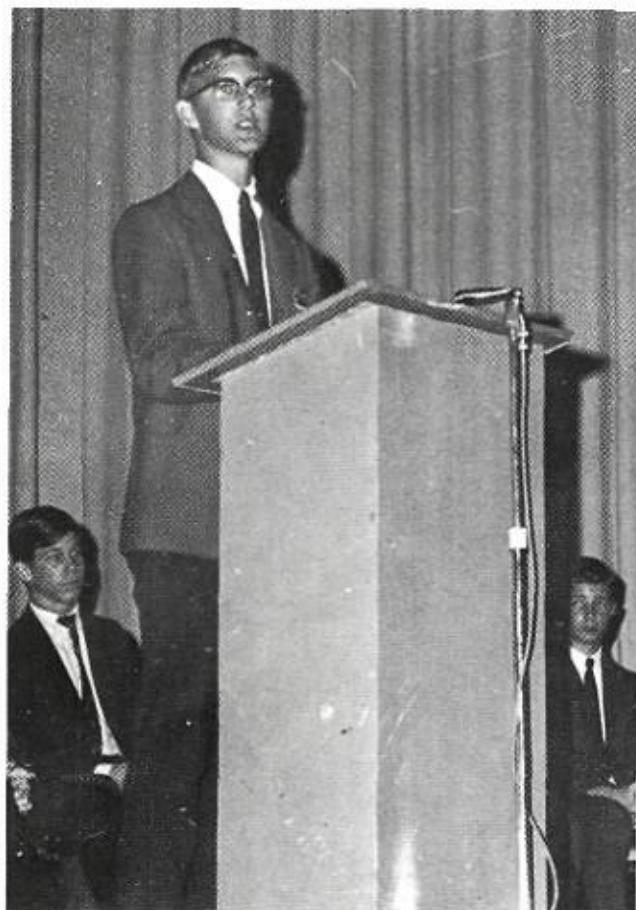

Student Council elections were held in the last week of April. At an assembly Wednesday morning students were nominated and the qualifications of the nominees were listed. Wednesday and Thursday the candidates spoke to various homerooms, put up posters, and handed out campaign ribbons. Friday morning the candidates spoke to the entire student body at an assembly which immediately preceded the voting. Steve Altobelli was elected president, Butch Vela vice-president, Louis Botto secretary, Fred Westendarp treasurer, and Nick Pantuso program manager.

Student Faculty Game

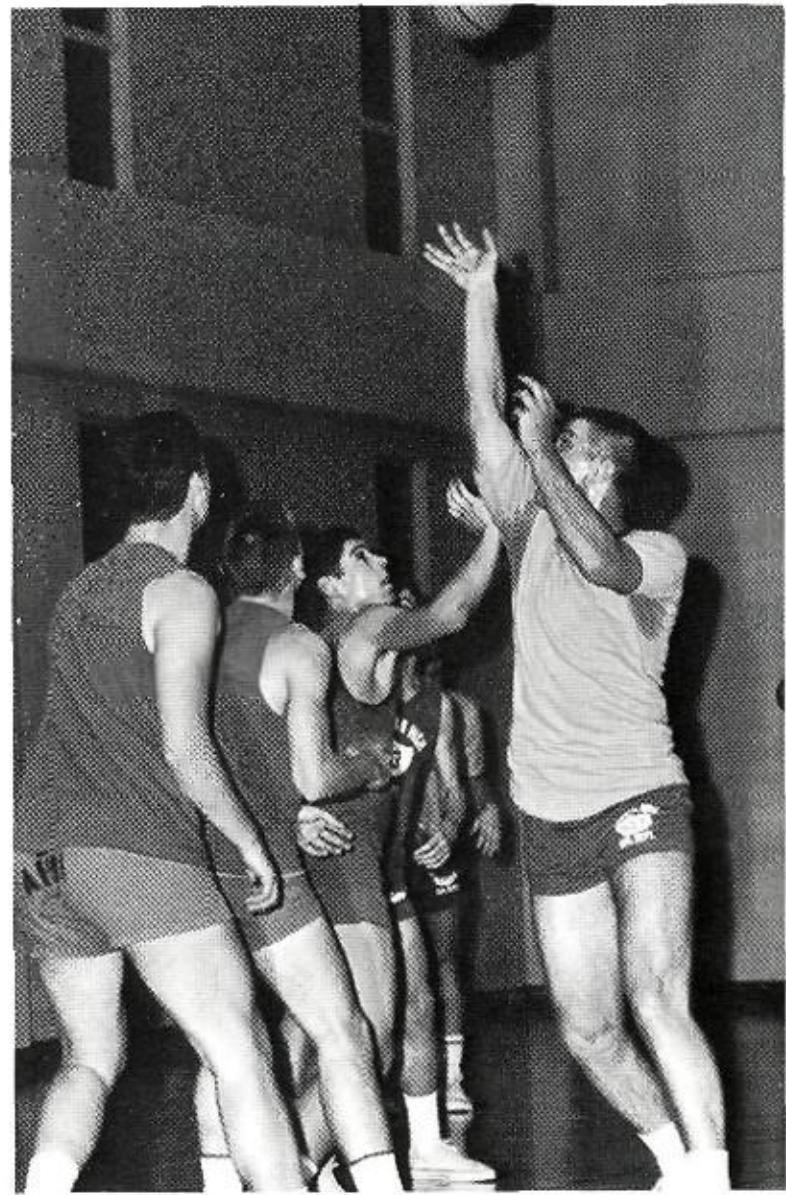

The annual battle between the faculty and the basketball team was fought on January 23, 1967. The faculty starting five of Coach Meyer, Br. David, Br. Castille, Br. Stanley, and Mr. Hayes jumped into a quick lead, but the varsity, cheered on by a large crowd, narrowed the lead in the second quarter as the faculty began to tire. From then on it was a close game, if only because the oldsters were helped considerably by the lone referee. Just before the final buzzer, Coach Meyer sank a long jump shot to end the scoring, leaving the faculty with a 63-62 victory.

Guess who's cheering for the faculty at the pre-game pep rally.

Western Day

It's showdown time between James Bitter and Carl Kissling.

During Rodeo Week all San Antonio "goes Western," and Antonian is no exception. Thursday of Rodeo Week was designated Western Day. Students came to school dressed in bright western wear, complete with cowboy shirts, jeans, boots, and hats. One junior even brought along four bales of hay, supposedly for a horse that never showed up. Many also came heavily equipped with weapons ranging from 45's to machetes. All kinds of duels and gunfights were staged, and many a would-be gunslinger bit the dust.

Awards

This year at Antonian all athletic and scholastic awards were presented at a special Awards Banquet held at the Sheraton Inn. Letters in football, basketball, baseball, and track were given out, along with special awards in each of these sports. The academic awards were the Torch Award, Religion Trophy, Honor Certificate, General Merit Award, Social Studies Award, and Perfect Attendance Certificate.

The Torch Award is presented to the five students on each level who maintain the highest scholastic averages. Junior winners were Henry Amen, Thomas McGary, Nick Pantuso, Carl Schneider, and Raymond Zowarka. Sophomores were Tim Bolton, Louis Botto, Charles Garrett, Robert Kavanaugh, and Tim Tynan. Bruce Baethge, Jim Bauml, Bill Brendel, Hans Dahl, and Richard Lochte were the freshmen winners.

The Religion Trophy is awarded to one boy from each level who achieves straight A's in Religion and scores highest on a test administered in the fourth quarter. The winners were: Nick Pantuso, junior; Louis Botto, sophomore; Bill Brendel and Robert Van Rite, freshmen (tie).

The Honor Certificate is given to those students who attain the honor roll at least twice during the first three quarters. Those who received it were: Juniors, Steve Altobelli, Henry Amen, Jerry Arnold, Steve Fisher, Glenn Madere, Thomas McGary, Nick Pantuso, Carl Schneider, Ronald Toon, and Raymond Zowarka; Sophomores, Robert Arias, Robert Bauml, Richard Blair, Louis Botto, Tim Bolton, Steve Dobrinic, Charles Elizondo, Charles Garrett, John Goebel, Victor Jouffray, Robert Kavanaugh, Wade Matthis, Steve McBrearty, Bill McElreath, Fernando Obledo, Robert Rex, Randy Rogers, Roger Saathoff, Ray Singleton, Tim Tynan, and Victor Vela; Freshmen, Dennis Baas, Bruce Baethge, Jim Bauml, Bill Brendel, Hans Dahl, Bill Hinchey, James Halet, Robert Lara, Richard Lochte, Chris Lutz, Sam Monaco, David Nobles, Michael Peters, Joseph Pantusa, Thomas Simek, Jerry Range, Robert Van Rite, David Vorpahl, and John Wright.

The General Merit Award is presented to five students from each level who compile the most extracurricular activity points. Junior winners were Bill Fecci, John Finch, Robert Meurer, Mike Mott, and Steve Scecina. Sophomores were Charles Elizondo, Wayne DeWinne, Johnny Gill, Andy Obriotti, and Victor Vela.
